STORY

GRANNIES

Lock up your beans – Rita and Janet are coming!

1

Bingo is practising her flossing (the dance, not her teeth). "Do you wanna play Grannies?" Bluey asks. "OK, but can I still floss?" Bingo asks. "Hmm, no. I don't think grannies floss," Bluey says. Soon they're in full granny gear, ready to play...

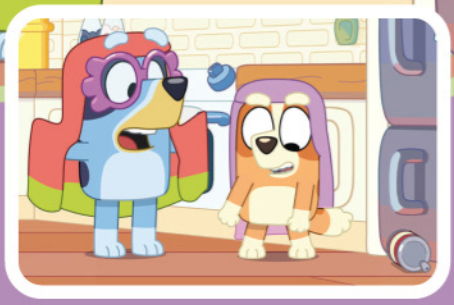
HERE COME THE GRANNIES!

2

The grannies shuffle into the shop (which is really the kitchen). "The shop's closed, Rita," Mum says, loudly. "Pardon?" Rita calls, hunting for a tin of beans. "**I said the shop's closed!**" Mum says, even louder.

3 Aha! Rita has found the baked beans and stuffs heaps of tins under her shawl...

But they soon fall out all over the floor. "**Ruuun!**" Janet yells as Rita slips and takes a tumble.



Then Bingo starts flossing again. "Grannies DON'T floss!" Bluey reminds her. "They DO!" says Bingo. "Mum, who's right, me or Bingo?" asks Bluey. "Go ask your father!" says Mum.

4 Dad is in the middle of a very urgent technical plumbing project (scrubbing the toilet). But the grannies have a far more important issue to discuss instead...

5

So... Bluey and Bingo video call Nana and Bob to find out once and for all whether grannies can floss. "Oh yes, I floss every night!" Nana tells them. "Not your teeth, the flossing dance," Bingo giggles.

Like this, Nana!

Nana and Bob have a go, buuut... they're not very good at it.

It looks like Bluey was right – grannies **can't** floss.

6

Bingo feels a bit sad. She doesn't want to play anymore.

SIGH.

And Bluey realises that being right doesn't always feel so good...

7 But Bluey has an idea. She calls Nana and Bob again and teaches them how to floss!

8

With Bingo all cheered up, the grannies are back! They speed off in their granny car... and crash-land in the sand pit, then both grannies climb out and floss.

"I hope we still floss at their age," Mum says. "I think we will," Dad replies.

ROLL-a-GRaNNY

Who says grannies can't floss? Grab a pal and your colouring pencils to play this game (it's easier than Mahjong, chook!).

HOW TO PLAY

1 Choose who's going to colour Janet and who's going to colour Rita.

2 Take turns rolling a dice. If you roll a 1, colour the bit labelled with that colour (blue or orange) on your granny... and so on. You can do it, dearie!

3 You need to roll all 6 numbers to finish your granny (if you roll the same number twice, miss a go). **The first person to finish colouring their granny wins and gets to floss!**

All about Granny Madge

Let's find out more about Rita's fr

I hope the train arrives soon!

Rita and Madge need to get the train to Mahjong... they don't want to be late!

Madge is a tall granny with a green shawl!

Colour her shawl.

Old Pug loves to complain.

Stick on some grouchy things for her to say!

Old Pug tries to grab a bargain at Doreen's garage sale. But Gladys (Muffin) isn't having it.

How many dollarbucks should she pay for the granny mobile?

BUS

Awww... the bashful passenger (Mum) is in love with the hairy bus driver (Dad). Add your stickers so the grannies can get to Mahjong on time.

The wheels on the bus go round and round...

I catch this bus because I'm secretly in love with the bus driver.

Oh really? He's a bit hairy, isn't he?

BUT it turns out the bus driver is married... to a giraffe!

This is a STICKER page

Add **LOTS** of heart stickers.

Give the passenger a lovely hat.

DING! Stick the bell here.

Stick the bus stop sign here.

Granny Guessing

How well do you know your old chooks, old chook? Test your knowledge with these puzzles!

Who's here? Draw lines from the shadows to the right chooks.

They live on the Gold Coast. There are no rules at this house!

They often travel in big caravans. Spot them on a road trip!

They love a good garage sale. Lives next door to Bluey and Bingo.

They like canoeing and curried sausages.

IT'S DOREEN

THAT'S GRANDAD

HEY, NANA & BOB

THAT'S THE GREY NOMADS

Answers: Nana and Bob live on the Gold Coast, the Grey Nomads travel by caravan, Doreen is Bluey's neighbour and Grandad likes canoeing.

Who said that? Can you match the granny chat to the correct granny?

MADGE or RITA

OLD PUG or GLADYS

NANA or DOREEN

RITA or JANET

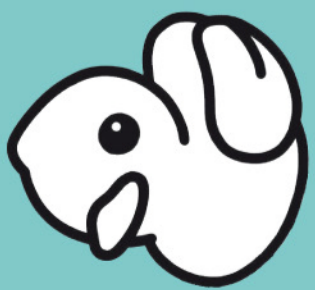
Answers: Rita slipped on her beans, Old Pug complained about the table leg, Nana needs her glasses and Janet is a kind granny.

GHOSTBASKET

Colour a duck each time you spot a difference.

OooOooOoo! Can you spot 10 differences between the piccies?

Answers:



"I SLIPPED ON MA BEANS!"

Recreate Rita and Janet's kitchen... in a box!

Make & photography by Lisa White.

YOU WILL NEED:

- a box (like a shoebox)
- smaller box for the breakfast bar (like a toothpaste box)
- cardboard
- paints and tape
- bottle top
- cardboard rolls
- a grown-up to help

1 Open the box up so the front (or the lid) flaps down to make the floor. Paint the floor brown.

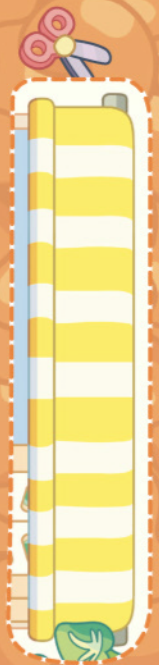
2 Snip out all the bits and bobs on the opposite page. Stick the big kitchen scene to a piece of cardboard and stand it at the back of the box.

Read before you snip & ask your grown-up to help with the cutting.

3 Snip around the fridge door and any cupboards that you want to open. We added a box behind the fridge and stocked it with some goodies, so you can open up the fridge and look inside. Open a small cupboard for the stolen beans to tumble out of!

4 Make the breakfast bar from the smaller box and paint it. Add the steps and some grub. A bottle top makes the frying pan 3D!

5 Finish off with the stripy blind and hanging garlic. It's ready for Rita and Janet to wreak havoc! Just stick them to cardboard rolls (along with Mum to keep an eye on them). Watch Rita roll around on the floor!



TOP TIP

Why not grab some leaves from outside to stick behind the kitchen windows for a garden view?
